Mrs. Onori reviewed the policy stating any retained teacher with a “highly effective” observation in FY19 would receive \$2,500.00 and any retained teacher with an “effective” observation in FY19 would receive \$1,000.00. Mrs. Onori added there would be \$669.69 left after paying all the qualifying teachers and the leadership team met and decided the three

Tom Sutterfield made a motion to approve the FY19 A+ money distribution. Jennifer Weser seconded the motion. The motion passed unanimously.

The next order of business was the approval of the hardening grant. Mary Salas informed the Board Imagine- Chancellor had been awarded \$18,000.00 for the hardening grant. Mrs. Salas added after much discussion, it had been decided to purchase more security cameras and a card entry access system for all exterior doors. Mrs. Salas reviewed the bids with the Board with the camera bid in the amount of \$ 8,949.00 and card entry system bid in the amount of \$9,975.00. Mrs. Salas added the remaining balance of \$924.00 would be paid out of school funds, which Mr. Puente-Duany approved. Mrs. Salas also added that the card access entry bid only included 7 exterior doors and there were actually 8 exterior doors, which increased the bid by \$1425.00. Mrs. Salas stated the additional funds would also have to come out of the school budget, which Mr. Puente-Duany approved as well. Tom Sutterfield made a motion to approve the camera bid of \$8,949.00, the card entry access bid of \$9,975.00 and the additional \$1425.00 totaling \$20,349.00, with \$18,000.00 being paid out of the hardening grant and the balance of \$2,349.00 to be paid out of school funds. Jennifer Weser seconded the motion. The motion passed unanimously. Mr. Johnson inquired about an air conditioning update. Mary Salas informed the board the installation of AC unit #2 had been rescheduled due to a broken compressor. The unit is installed now and working properly. The unit was not in the original survey of *at risk* units, but would need to be replaced. Mr. Johnson requested Biscayne Air to do another survey on the air units. A lengthy discussion ensued with Mr. Puente-Duany regarding the financial aspect of replacing unit #6. Tom Sutterfield and Chris Johnson both requested the unit coils to be double dipped due to the salt air even though it would increase the price to \$33,230.00, in addition to the permits and inspections. Tom Sutterfield made a motion to approve \$34,000.00 to replace unit #6. Jennifer Weser seconded the motion. The motion passed unanimously. Marva Wilks inquired as to if the already installed coils had been double dipped and Mrs. Salas stated they had not.

Chris Johnson requested Mrs. Salas to inquire with Biscayne Air about having it done and to include him in the correspondence with Biscayne Air regarding this matter.

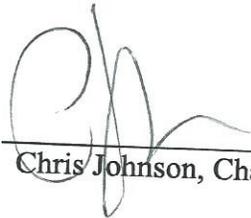

The next order of business was the financial update. Jorge Puente-Duany reviewed the financials before the board, stating the land note would be paid off in March of 2020. Mr. Puente-Duany reviewed the incoming funds versus expenditures. Discussion ensued regarding the financials. Mrs. Onori informed the Board the teachers had actually found great supplemental educational programs for free on the internet, which saved the school money. Marie Chapman informed the Board she had been approached by a teacher, asking if it would be possible through the PTSO and the school to ask for a \$50.00 supply fee rather than asking each student for individual supplies, due to lack of storage for the supplies in the classroom. Discussion ensued regarding this matter and Mrs. Chapman stated she would discuss the matter with the PTSO Board. Mrs. Onori stated that would be a PTSO decision, since they coordinate the supply program for the school and Mr. Puente-Duany stated on his end it would be able to be done. Mr. Puente-Duany discussed the budget with the Board and educational changes going on with in legislation. A lengthy discussion ensued regarding this matter.

Rod Sasse stated even though Susan Onori's promotion would be a loss for Imagine-Chancellor, he was very happy to have Susan Onori join the South Florida Regional team and felt no one deserved it more.
