Organizational Chart and Communications Protocol

Good communication is essential to the effective operation of every institution. In order to insure that all needs and issues are addressed in a timely and effective manner by the school staff, parents and other stakeholders need to follow the proper protocol and address the staff member directly overseeing their area of concern. Parents and stakeholders should first bring **all academic, social, and emotional concerns directly to their teacher**. Communication should begin with

informal communication by email, in-person, or by note. A formal conference should be held before bringing an issue to staff at the next level of responsibility. After sufficient time to address an issue has been provided, generally one to three weeks, then parents may move their concern to the next level on the organizational chart, repeating this process as necessary.

ATTENDANCE

Your child's academic and social progress is influenced to a great extent by regular participation in school. Regular attendance without tardiness is the key. When your child will be absent from school, please call 561-585-1189 and leave a message that morning to report the absence and reason for the absence. If you do not call in to report the absence within 48 hours your child will receive an "unexcused absence." You must call in each day that your child is out.

We encourage you to schedule your child's appointments after school hours. If this is not possible, parent/guardians must come to the main office first to have their child released. Office personnel will notify the classroom teacher to inform the teacher that your child needs to report to the office. For your child's safety, the teacher will not release a child to anyone who has not signed them out at the office. Office personnel will not release a child to anyone not listed on the Emergency Contact Card, unless the school is notified by the parent in writing in advance.

Research has shown that there is a strong correlation between attendance and achievement in school. Therefore, our attendance policy will be strictly enforced in accordance with the Palm Beach County Attendance Policy listed below:

PATTERNS OF NON-ATTENDANCE

Imagine Schools-Chancellor Campus chooses to follow the Palm Beach Attendance Policy. Non-attendance for instructional activities is established by tardiness, early-sign-outs, or absences for all or any part of the day. **The maximum number of days that a student may be absent without acceptable documentation justifying the absence is 5.**

- a) A student who has had at least five unexcused absences, or absences for which the reasons are unknown, within a calendar month, or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar-day period, may be exhibiting a pattern of non-attendance (F.S. 1003.26 (1) (b)).
- b) Unless acceptable documentation is presented/submitted, an accumulation of daily absences (excused or unexcused), by tardiness, or early sign-outs that equals 5 days (30 hours) in a marking period or 10 days (60 hours) within two marking periods may establish a pattern of non-attendance.
- c) If the student exhibits a pattern of nonattendance, principals may request documentation for subsequent absences. (F.S. 1003.24(4)) Non-attendance for instructional activities is established by tardiness, early-sign-outs, or absences for all or any part of the day. "Habitual truant" means a student who has 15 unexcused absences within 90 calendar days with or without the knowledge or justifiable consent of the child's parent, is subject to compulsory school attendance under s. 1003.21 (1) and (2) (a), and is not exempt under s.1003.21(3) or s. 1003.24, or by meeting the criteria for any other exemption specified by law or rules of the State Board of Education. (F.S. 1003.01 (8)).

ABSENCES

EXCUSED ABSENCES

Students must be in school unless the absence has been permitted or excused for one of the reasons listed below (F.S. 1003.24(4), 1003.26)

1. Illness of student.
2. Illness of an immediate family member.
3. Death in the family.
4. Religious holidays of the student's own faith.
5. Required court appearance or subpoena.

8. Students having, or suspected of having, a communicable disease or infestation which can be transmitted are to be excluded from school and are not allowed to return to school until they no longer present a health hazard (F.S. 1003.22). Examples of communicable diseases and infestations include, but are not limited to, fleas, head lice, ringworm, impetigo and scabies. Students are allowed a maximum of five excused day's absence for each infestation of head lice.

Students on field trips and students who attend alternative to suspension programs are not considered absent.

UNEXCUSED ABSENCES

Absences not excused as defined in the previous section, are considered unexcused.

1. Students without a completed Certificate of Immunization indicating compliance with the current required schedule of immunizations will not be allowed to attend classes until this document is provided or a waiver is obtained. Absences due to non-compliance with immunization requirements shall be considered unexcused. (F.S. 1003.22(1)4
2. For students transferring into Palm Beach County, including but not limited to foster care students, or homeless students, a temporary 30-day waiver of both health examination documents and certificates of immunization must be granted. (F.S. 1003.22(1) (5) (e))
3. Students who have been externally suspended may be offered an opportunity to participate in an alternative to suspension program. If they do not attend, the assigned days, the absences will be considered suspensions

MAKE-UP WORK (This does not apply to specific homework provided under FS 1003.01 to certain suspended students.)

1. **Excused Absences:** Make-up work for credit and grade is allowed for ALL excused absences.
2. **Suspensions:** Make-up work for credit and grade is allowed. It is the student's responsibility to get the missed work. All work is due on the day of return from the suspension. Student is NOT allowed to participate in any school activities during the suspension period.

TARDINESS

Tardiness is defined as a student not being in the classroom when the class is scheduled to begin.

1. Parents must follow the same process to excuse a tardy as they do to excuse an absence.

2. Excessive tardiness will be addressed on a case-by-case basis to determine if there is a pattern of non-attendance. Non-attendance for instructional activities is established by tardiness, early-sign-outs, or absences for all or any part of the day.
3. Tardiness to any class without documentation may be considered unexcused.
4. Habitual tardiness is defined as being tardy 5 times within a marking period.
5. Principals have the discretion to excuse tardiness for extenuating circumstances.
6. Unless excused under the provisions of this policy, accumulated tardiness will be recorded as unexcused absences. (F.S. 1003.02 (1) (b))

EARLY SIGN-OUTS

1. **No students shall be released after 3:00 pm** unless the principal/designee determines it is an emergency.
2. All schools will establish procedures for early release that ensure that all students are treated consistently.
3. Excessive early sign-outs will be addressed on a case-by-case basis to determine if there is a pattern of non-attendance. Non-attendance for instructional activities is established by tardiness, early-sign outs, or absences for all or any part of the day.
4. Unless excused under the provisions of this policy, accumulated early sign-outs will be recorded as unexcused absences. (F.S. 1003.02)

2021-2022 Tardy Policy

In order to be in compliance with the Palm Beach County School Board Policy, all students must enter the school gates by **8:55 A.M. to be in their classrooms by 9:00 A.M.** A student is **considered tardy** if they are not in their designated classroom **by 9:00 A.M.** and a late pass will be given to each student arriving after this time. **Additionally, parents must park and walk their child in to school to sign in their student after 9:00 A.M.** Students will not be permitted to enter classroom without a parent signature after 9:00 A.M.

A crossing guard is stationed at the correct pedestrian crossing location at the front of the school. Additionally, walking through the carpool loop to access the

staff parking area is prohibited. Students must be walked on a sidewalk at all times.

Cell Phone Usage in the School Zone

For the safety of our students and staff members, cell phone usage is not permitted in the school zone.

Boynton Beach police officers routinely patrol the school campus area and will issue citations at their discretion to enforce all applicable laws and regulations.

3 General School Policies

UNIFORM POLICY AND DRESS CODE

In order to create a consistent and safe environment free of distractions, the school has developed a Dress Code and supporting Uniform Policy. It is the belief of the school administration and staff that students who come to school dressed properly will achieve higher academically and conduct themselves more appropriately while at school. This belief is supported by extensive research on the positive effect of school uniforms on student learning and behavior and is also stated in our approved charter. The school allows reasonable accommodations based on religion, disability or medical condition. Therefore, Imagine Schools-Chancellor Campus enforces a mandatory uniform policy for all students. The school uniform consists of the following:

Grades K-8

- ❖ The school shirts are collared with a “polo like” design or t-shirts with embroidered logo.
- ❖ The ONLY approved uniform vendor is InUnison.
 - The bottoms must be a dark blue, black, or khaki (shorts, pants, or skorts) without decoration or design. Cargo pants and/or shorts are acceptable.
 - Friday “dress down” shirts must have the school identification.
 - Belt or bottoms with built in elastic waistband.
 - Socks and closed-toe shoes or sneakers.
 - Jeans are to be worn only on Friday Dress-Down Days with the Friday T-Shirt.
 - Leggings (black or navy blue) are only permitted if they are worn underneath shorts or skorts.

In addition, students must keep their hair neat and out of their eyes. Students are not permitted to wear hair or makeup in a fashion that is a distraction to the learning environment. Blue jeans are not a part of the school uniform, except on Fridays.

On cold weather days the uniform policy is still in effect. All outerwear must be navy blue, black or grey with the school logo or plain. Outwear with print or other designs are not permitted.

The school allows reasonable accommodations based on religion, disability or medical condition.

Non-Compliance with Uniform Policy

All students must come to school wearing the approved uniform. Non-compliance of the policy will result in the following actions:

- ❖ 1st violation of dress code – communication from the teacher to parent
- ❖ 2nd violation of dress code –written communication sent home from school administration
- ❖ 3rd violation of dress code – Student will be sent to the front office and parent will be notified to pick up child or bring in school uniform items for the child to change into.

Please assist the school in maintaining an environment that is conducive to learning by adhering to the student dress code and uniform policy.

CAFETERIA AND SCHOOL LUNCH FEES

Imagine Schools-Chancellor Campus has contracted with the Palm Beach County School Board for school food service. Breakfast is available at no charge each day and lunch is available for purchase each day. A lunch menu will be available each month on the website or in the front office. All questions or concerns regarding food service should be directed the Palm Beach County Food Service Department at 561-434-8000.

Free and Reduced Lunch Program

Parents can apply for free or reduced-priced meals when there is a hardship in the family. If your child received free or reduced price lunch last school year (2019-2020) in a **PALM BEACH COUNTY** Public School, he/she will be eligible for free/reduced lunch for the **FIRST TEN DAYS** of the new school year. **A NEW FORM MUST BE FILLED OUT** if you want your child to continue to receive free/reduced price meals for the 2021-2022 school year. Please read the free/reduced price lunch form over **CAREFULLY** and fill out each section. An incomplete form will result in the child not receiving breakfast/lunch at the discounted rate.

Peanut/Food Allergies

If your child has a peanut or other serious food allergy, please notify the front office, teacher and the Food Service Manager at 561-585-1189. A peanut allergy is considered an airborne allergy and may cause life threatening allergic reactions just by someone who is in close proximity of peanuts. The school asks that parents be aware of this potentially deadly condition when packing student lunches or snacks. Please check with your child's teacher to see if a student in your class is allergic to peanuts or peanut products. We ask that parents are sensitive to this important issue.

Bag Lunches and Lunches from Home

For safety reasons, do not bring glass containers to school or food items needing microwaving or heating. Microwave ovens are not available. Additionally, soda

and fast food items are not permitted at school. **Students may not have meals delivered by parents from fast food restaurants.** Parents must have students eat such foods before arriving on campus. We encourage parents to pack healthy lunches low in sugar and chemicals and encourage healthy eating habits.

Birthday and Celebrations

Parents may acknowledge their child or teacher's birthday by sending a treat to share with the whole class. In ALL cases, birthday treats should be limited to small snacks easily distributed by the student. Balloons, birthday plates and napkins are permitted. Snacks should be "finger friendly." Children can enjoy small baked goods such as cookies or doughnuts. Birthday celebrations during "black out" testing days are not permitted. Please refer to the school calendar for testing days. The celebration can take place the next open day that visitors are permitted back in to school.

Forgotten Lunches

Students who have forgotten lunches will be allowed to charge 1 lunch for the day at the discretion of The Palm Beach County Food Service Department. A student will not be permitted to charge any additional lunches if the lunch account is in the negative.

HEALTH CARE

A healthy body enables children to function at their fullest capacity. The health of our students is important to us. The school is able to provide basic support for students and limited first aid.

For the sake of others, as well as your own children, parents are asked to keep home any child the exhibits a fever of 100.4 degrees or higher or other symptoms of illness such as diarrhea, hacking cough, vomiting, etc. Should a child become ill at school, he/she will be immediately isolated from other children. Parents will be notified and expected to pick up their child or make arrangements to take the child home within a 1-hour time period.

A child should be free from fever or contagious disease for 24 hours before returning to school. If your child has a contagious disease, he/she should be kept home and the fact of the condition reported to the school. Contagious diseases include illnesses such as chicken pox, strep throat, conjunctivitis (pink eye), impetigo, head lice, measles, mumps, scarlet fever or fifth disease, etc.

Daily Health Checks

- Parents will be expected to do a temperature and symptom check each morning. If a student is sick, **they must stay home.**

- Check for common COVID-19 symptoms among children:
 - Fever over 100.4 degrees without fever-reducing medication; wait 15 minutes and recheck temperature to confirm if it remains elevated
 - Headache
 - Sore throat
 - Cough
 - Fatigues
 - Nausea/vomiting
 - Diarrhea
- Students who present COVID-19 symptoms **must stay home**. We strongly encourage students who are presenting multiple symptoms to seek a medical evaluation from their healthcare provider and obtain a COVID PCR test, if appropriate.
- If a student starts to present COVID-19 symptoms at school, that student will be placed in a designated isolation room and **must be picked up within the hour of the school's request that the child be sent home due to illness**. Teachers will be informed of the student's dismissal for illness.
- If a student is sent home with **two or more COVID-19-like symptoms, they must have a note from a health care provider to return to school**.
- Students presenting a COVID-19-like symptom, who have an alternate diagnosis, will follow the routine school health practices, including staying home until the student is fever or symptom free for 24 hours without fever reducing medication.
- Parents/students who know or have a reasonable basis for believing that a student has a communicable disease that may pose a threat to other students, parents, school employees, visitors, or the public should immediately contact their health provider.
- To prevent the spread of infection through direct contamination students must be asymptomatic without the aid of medications before returning to school. In other words, students must have no fever, vomiting, etc. for 24 hours prior to their return to school.

COVID-19 Positive Procedures

- Students who test positive for COVID-19 must stay away from the school campus and self-quarantine for the appropriate period required by public health officials.
- For the health and safety of the school community, parents must report to the Imagine-Chancellor administration if their child has a confirmed

communicable disease that poses a risk to others in the school community.

- The school must receive clearance from the Palm Beach Department of Health for the student to return to school (indicating that the student is no longer infectious).
- The School will generally not identify an infected student to school employees or other students or their parents, although public health guidance will guide the school's communications. It may be necessary to alert others in the community who were in certain areas or at certain times that exposure could have occurred.
- The School will disclose sensitive medical information of students, no further than is necessary, to ensure the health and safety of our employees, students, parents, and visitors in a manner consistent with applicable law.
- Imagine-Chancellor will comply with all federal and state laws in regard to confidentiality and privacy requirements.

Face Mask

All students will be required to wear a face mask inside of the school and on buses, unless their parent/guardian chooses to **opt-out** of this requirement. An opt-out form must be completed and returned to your child's teacher if you **don't** want your child wearing a facial covering. Staff will never question or harass a child regarding a face mask. It is the responsibility of students and staff to provide their own face masks. Disposable face masks will be available for \$1. The school **will not** provide students with a free disposable face mask if they forget theirs at home. **Lanyards designed to hold face masks are highly encouraged for all students.**

A face mask is acceptable only if it meets current CDC guidance and:

- Fits snugly but comfortably against the side of the face;
- Is secured with ties, ear loops, or another reliable method;
- Includes multiple layers of fabric sufficient to block respiratory droplets from permeating the face mask; and
- Allows the user to breathe without restriction.

Students and staff may **not** use any face covering that incorporates a one-way valve that is designed to facilitate easy exhaling or a neck gaiter.

Students may not share face masks with any other individual.

Face Masks shall not contain any offensive, harassing, or discriminatory words, terms, logos, pictures, cartoons, slogans, writing or images, and must comply with

the School's GROOMING AND DRESS POLICY and ANTI-HARASSMENT/ANTI-DISCRIMINATION POLICY. If the school determines, in its sole discretion, that a student's face mask does not comply with this policy, the school will provide the students with a substitute face mask for use.

Face Shields

Although not required, the school will allow students to wear face shields in addition to a face mask. If a parent chooses for their child to only wear a face shield, they will have to complete an opt-out form.

CLINIC

The school clinic serves as a temporary resting place for sick children and to administer minor first aid for minor injuries. Please be reminded the clinic is not staffed by a school nurse or Teacher's Assistant. Parents will be notified to pick up children who are unable to return to class. Please notify the school IN WRITING of any known allergies that your child(ren) has (have) so that we may be proactive in reducing possible exposure to allergens and be prepared in the event of a medical emergency.

MEDICATION

Imagine -Chancellor Campus chooses to follow the Palm Beach County School Board Policy on medication. School Board policy expressly states that school personnel CANNOT DISPENSE medicine to students unless it is a long-term requirement and all proper forms from the health department and doctor are completed and on file at the school. School Board Policy 6305 outlines the rules regarding possession of over-the-counter and prescription drugs.

If a short-term illness occurs and a child is required to take medication, it may be necessary for you to keep your child at home. If the child is not contagious, he/she may be sent to school, but it is your responsibility to either adjust the time medication is to be taken or to come to administer the medication yourself. Please consult your physician for information. UNDER NO CIRCUMSTANCES IS A CHILD PERMITTED TO CARRY MEDICINE IN SCHOOL. THIS INCLUDES ASPIRIN, COUGH DROPS, COUGH MEDICINE AND ASTHMA INHALERS.

Illness or Injury During the School Day

Should a student become ill during the school day, the parent or guardian will be contacted and asked to pick up the student as soon as possible. If a student is injured, the school will contact the parent or guardian if the case is serious or life-threatening. Emergency services may be called. A school accident report will be completed and provided to parents in the event of an accident or injury at the school. This does not include minor bumps and bruises.

Head Lice

Students must be free of head lice and nits. It is important for parents to routinely check their children's hair for lice. Lice are small insects about the size of a sesame seed. Nits are tiny yellowish-white oval eggs attached to the hair. Nits do not come off easily like dandruff or lint. Lice do not jump or fly. They are transmitted via head-to-head contact and personal articles such as hats, combs, pillows. Please remind your children not to share such things with others.

When head lice are identified at school, parents will be notified of the affected students and provided information on treatment of the hair and the household. However, students must be free of head lice and nits for a minimum of 48 hours after treatment in order to return to school.

Involuntary Examinations

Senate Bill 590, effective July 1, 2021, amended Section 1002.33(9)(q), Florida Statutes, relating to involuntary examination and reporting procedures applicable to charter public schools. Below is a sample policy which can be adopted by charter public schools in addressing and complying with this Statute amendment.

I. Reasons for Involuntary Examination

Pursuant to Section 394.463(1), Florida Statutes, a person may be taken to a receiving facility for involuntary examination if there is reason to believe that the person has a mental illness and because of his or her mental illness:

(a)1. The person has refused voluntary examination after conscientious explanation and disclosure of the purpose of the examination; or

2. The person is unable to determine for himself or herself whether examination is necessary; and

(b)1. Without care or treatment, the person is likely to suffer from neglect or refuse to care for himself or herself; such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; and it is not apparent that such harm may be avoided through the help of willing family members or friends or the provision of other services; or

2. There is a substantial likelihood that without care or treatment the person will cause serious bodily harm to himself or herself or others in the near future, as evidenced by recent behavior.

II. Required Communication from Charter School

In the event a charter school principal or the principal's designee attempts to remove a student from school, school transportation, or a school sponsored activity to be taken to a receiving facility for an involuntary examination, the charter school principal or the principal's designee shall make a reasonable attempt to notify the parent or legal guardian of the student **prior** to the student's removal.

For purposes of this policy, "a reasonable attempt to notify" means the exercise of reasonable diligence and care by the principal or the principal's designee to make contact with the student's parent, guardian, or other known emergency contact whom the student's parent or guardian has authorized to receive notification of an involuntary examination.

At a minimum, the principal or the principal's designee must take the following actions:

- a. Use available methods of communication to contact the student's parent, guardian, or other known emergency contact, including but not limited to, telephone calls, text messages, e-mails, and voice mail messages following the decision to initiate an involuntary examination of the student.
- b. Document the method and number of attempts made to contact the student's parent, guardian, or other known emergency contact, and the outcome of each attempt.

A principal or his or her designee who successfully notifies any other known emergency contact may share only the information necessary to alert such contact that the parent or caregiver must be contacted. All such information must be in compliance with federal and state law.

III. Delayed Communication from Charter School

The principal or the principal's designee may delay notification for **no more than 24 hours** after the student is removed if:

- a. The principal or the principal's designee deems the delay to be in the student's best interest and if a report has been submitted to the central abuse hotline, pursuant to s. 39.201, based upon knowledge or suspicion of abuse, abandonment, or neglect; or
- b. The principal or the principal's designee reasonably believes that such delay is necessary to avoid jeopardizing the health and safety of the student.

Before a principal or his or her designee contacts a law enforcement officer, he or she must verify that de-escalation strategies have been utilized and outreach to a mobile response team has been initiated unless the principal or the principal's designee reasonably believes that any delay in removing the student will increase the likelihood of harm to the student or others. This requirement does not supersede the authority of a law enforcement officer to act under s. 394.463.

IV. Parental Rights

Parents of charter school students have a right to timely notification of threats, unlawful acts, and significant emergencies pursuant to Sections 1006.07(4) and (7), Florida Statutes. Parents of charter school students also have a right to access school safety and discipline incidents as reported pursuant to Section 1006.07(9), Florida Statutes.

V. Conflict of Law

This policy is intended to supplement Section 394.463 & 1002.33(9)(q), Florida Statutes. If there is any provision of this policy which conflicts with and Florida Statute, the Florida Statute shall control.

Moment of Silence

Florida HB 529 requires all teachers to set aside time (one minute minimum) for a moment of silence every day. This dedicated time will take place daily during morning announcements in classrooms.
